

Come as you are.
Leave as a superhero.

Unparalleled competition. Unprecedented technological & cultural change.

If you're going to help your company battle such forces, you're going to need a superpower or two.

The good news is that at MODEX we'll be giving away superpowers.

Come see our [touchless ecommerce fulfillment technology](#) display and you'll acquire the powers you need to be a superhero at work. And your company might just dominate the world as a result.

[Join us in booth 9408 to get yours!](#)

See Touchless eCommerce Fulfillment in Action!

Join us in Booth 9408 to view a working display of the latest in no-touch ecommerce fulfillment technology. Our display will feature:

- Robotic Pick and Place processing to feed inventory into automated put wall
- An Automated Put Wall to consolidate order line items to individual totes
- An Automated Mobile Shelf-Picking Robot to remove completed orders from the put wall
- A Tilt-Top Automated Mobile Robot for transporting and sorting
- A Conveyor-Top Automated Mobile Robot for transporting and sorting
